Students	Yes
Teachers	Yes
Employers	Yes
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

Feedback system is followed by considering all the stakeholders view. STUDENTS: Feedback from students are collected at the initial period of the semester to ensure smooth conduct of the courses and to bridge the gap between students expectation and present teaching methodology followed by the faculty members. The students give their feedback for the staff who handle that subject on certain parameters including ? Communication skill of the staff ? Do they complete their portions on time ? Discusses topic in detail ? Interaction with the students ? Concentrate on academically challenging students ? Guide them in academics and non-academic matters and ? Uses modern teaching aid The Heads assess the staff performance based on their ? Class room teaching ? Their inter

personal relationship in the department ? The punctuality ? Regularity and ? Contribution to the department in general and to the institution in particular. The principal assessed the staff on their overall performance both in academic and non-academic matters. The Heads of the departments are being assessed by the students and by the Principal on the parameters mentioned above. The technical support staffs are being assessed by the respective heads of the departments based on their performance in maintaining the laboratories, equipments in lab, rapport with the staff and students and their interest towards updating themselves with current techniques. TEACHERS: The performance of all teaching staff is appraised by the end of each semester. The assessment is done by the students, Heads of the Departments and the Principal. This helps the staff to improve their teaching and learning strategies. Department meetings are conducted periodically to review the ongoing teaching learning process and bridge the gaps. The relevance of a particular course to academic, industrial and societal needs is also considered while getting the teacher's feedback. Adequacy of time is ensured to effectively cover a course under theory and laboratory modes. Appropriateness of course content is ensured to achieve the course outcomes. Further, the faculty members are motivated to undergo Training Programmes to enhance their knowledge practically. EMPLOYERS: Feedback from employers is obtained through experts from industries of our Academic Council and Board of Studies. Every department constitutes Board of Studies members with Industry Experts. To ensure the updating of contents in the syllabus in line with industry needs the prepared syllabi are reviewed by the team of experts during Board of Studies meeting. ALUMNI: Every year Alumni meet is being held with great enthusiasm. They gave their feedback in the prescribed form, which will be analyzed by the members and suggestions implemented for the welfare of the students. Also, alumni interaction is arranged to present the current industrial practices and skills which are considered as vital to get placements. PARENTS: Feedback from Parents are collected, department wise in the Parents Teachers Meeting. The parents are called by the department on need basis to have close follow up and counsel the students to improve their performance in continuous assessment tests, attendance and discipline.
